

If Director has been called or visits your table their image appears here

This turns off or on your view of everybody else (they can still see you)

This refreshes all of your video feeds (use if they are stuck)

Your Partner's image

Alert - use if partner's bid is alertable and wait to see if opponents want an explanation

Your Right-hand opponent's image

This lets you chat to your table.

Yellow indicates whose turn to bid or play a card

Last trick - if next trick not started then last trick can be seen here

Auction - if you need a reminder at any time

Claim - if you make a claim your opponents will receive a message to either accept or reject

Undo - use (promptly) if you make a mistake, your opponents will receive a message to either allow or not allow

Call the Director to your table

Leave will just take you back to the lobby

Settings

Turns your camera on and off

Turns your microphone on and off

Scores - shows travellers of hands played so far and a leaderboard at this stage
